

CASE # 1:

A1 is fouled by B3 while in the act of shooting. The try for goal by A1 is unsuccessful. A1 takes exception to the foul and verbally abuses B3. The official calls a Technical foul on A1.

QUESTION:

What procedure is to be followed in order to return the ball to play?

ANSWER:

Whereas the foul penalty for B3 carries the penalty of 2 free throws and the penalty for the TF is 1 free throw, the penalties do not balance. The TF 1 free throw penalty will be administered first with the 2 free throws to A1 being administered last with the ball in play on the final free throw. If the final free throw is successful, then Team B will have an end line throw-in. If the final free throw is not successful, then we will have a rebound to resume play.
